Exciting Improvements Are Coming to Our Home!

For more than **50 years**, our organization has been dedicated to providing exceptional care in a warm, welcoming environment. As part of our ongoing commitment to enhancing the quality of life for the residents, we are excited to announce an upcoming remodeling project that will refresh two important areas of our campus—the Solarium and our Front Entrance.

Although construction is still in the planning stages, the project is currently anticipated to begin by the end of this year and as early as August 2026. We wanted to share this exciting news early so you know what is ahead.

A New Look for the Solarium-

Our Solarium has always been a favorite gathering place for residents, families, and friends. The goal of this renovation is to transform the space into an even more comfortable and inviting destination.

Planned enhancements include:

A Beautiful Fireplace

- Creating a warm and cozy atmosphere throughout the year.

Taller Windows

- Bringing in more natural light and offering expanded outdoor views.

Kitchenette Area

- A convenient sink and cabinetry to support activities, celebrations, and family gatherings.

Improved Accessibility

- A new entrance from the main hallway, directly across from the nurses' station, making the space easier to access for everyone.

A Comfortable Gathering Space

- Designed for conversation, relaxation, family visits, special events, and quiet reflection.

A Welcoming Front Entrance-

Visitors will also notice improvements as they arrive.

A new covered canopy will be added to our existing front entrance awning, creating an attractive and welcoming first impression while providing additional protection from rain, snow, and other weather conditions for everyone entering and leaving the building. These improvements represent much more than a construction project—they are an investment in the future of our home and the people we serve today and for the years to come.

The Board of Directors continues to make thoughtful decisions that preserve our facility while creating spaces that promote comfort, dignity, connection, and quality of life for today's residents and generations to come.

As with any renovation, there may be temporary inconveniences, including construction noise, changes in traffic patterns, or restricted access to certain areas. Please know that resident safety, comfort, and daily routines will remain our highest priority throughout the project. We will work closely with contractors to minimize disruptions whenever possible.

We sincerely appreciate the patience, understanding, and encouragement shown by our residents, families, employees, volunteers, and community members. Your continued support allows us to grow while maintaining the compassionate, person-centered care that has defined our organization for more than five decades.

We look forward to sharing updates as the project progresses and cannot wait to welcome everyone into these beautiful new spaces!

Respectfully,

Heather Sells, MSW, LNHA

Letter from our Director of Nursing

Medication Safety Reminder: Outside Medications

At our facility, resident safety is our highest priority. To ensure medications are administered safely and accurately, we would like to remind residents and families of our policy regarding medications brought into the facility.

All medications prescribed for residents are ordered, supplied, and monitored through Meyer Pharmacy and our nursing team. This process helps ensure medications are accurate, up to date, properly stored, and reviewed for potential interactions.

Please do not bring medications from home or purchase over-the-counter medications for residents without first notifying nursing staff. This includes:

- Prescription medications
- Over-the-counter medications
- Vitamins, supplements, and herbal products
- Medicated creams, ointments, or lotions

Admission Agreement Policy

As outlined in the Admission Agreement, Section 4.4:

"All foodstuffs, liquids, medications, and personal effects brought to the Resident must be brought to the Nurse's Station and checked with the Nurse in Charge before delivery to the Resident."

Why This Policy Is Important

Bringing medications directly to residents can:

- Create duplicate therapy or medication errors
- Increase the risk of harmful drug interactions
- Result in expired or improperly stored medications being used
- Affect physician orders and medication records
- Place residents at risk for adverse health outcomes

How Families Can Help

If you wish to provide a medication, supplement, or health-related product to your loved one:

1. Bring the item to the nurse's station to notify the nurse in charge
2. Allow nursing staff and the provider to review the product for safety and appropriateness prior to usage.

We appreciate your cooperation in helping us maintain a safe environment for all residents. If you have questions regarding medications or pharmacy services, please contact the nursing department.

Thank you for partnering with us to ensure the highest level of resident care and medication safety.

Respectfully,

Jordan – Director of Nursing

New Employee Spotlight

Regina Rojas, CNA

Regina enjoys shopping, listening to audiobooks, and spending time at the park with her daughter. She loves green colors, Coca-Cola, birthday cake cookies, and Hershey Kisses. Regina chose healthcare because, "I love helping people!" We are thrilled to have her as part of our caregiving team.

Wouter Reuling, CNA

Wouter enjoys woodworking, tennis, cars, biking, and running. He likes caramel coffee, Reese's candy, strawberries and pineapple, listening to R & B and rap music. Wouter says he chose this career because he "enjoys helping others." We look forward to the positive impact he will make for our residents and staff.

Sarah Steere, RN

Sarah enjoys spending time with her husband Evan and their four children, listening to music and going for walks. Her favorite colors are pink and blue and she enjoys apples with peanut butter, Crunch candy bars, and Culver's. Sarah shared that she chose nursing because she "enjoys helping others." We are grateful to have her on our team.

Joslyn Verschoor, CNA

Joslyn enjoys drawing, crafts, and spending time with her boyfriend and friends. She loves sage green, strawberries, chocolate chip cookies, and Dr. Pepper. A fan of Harry Potter movies and summer weather, Joslyn chose healthcare because, "I love helping people." We are glad she has joined our Clarksville Skilled Nursing family.

Madison Wahl, CNA

Madison enjoys spending time with family and friends, baking, and listening to R & B, country and pop music. Her favorite color is pink, and she loves pineapple, Snickers bars, and macadamia nut cookies. When asked why she chose healthcare, Madison shared, "I enjoy and have compassion for helping people." We are excited to have Madison caring for our residents!

Christina Pankow, CNA

Christina is the proud mother of three sons, Ethan, Owen and Roman, and enjoys spending time crafting with her son. She loves hiking, biking, country music, and her favorite season is winter. Some of her favorite things include pink and yellow colors, kiwi fruit, Twix candy bars, chocolate chip cookies, and Dr. Pepper. Christina shared that she chose this career because: "I love helping my elders." Her dedication to caring for others and her warm personality make her a wonderful addition to our Clarksville Skilled Nursing & Rehabilitation Center Family.

LAND OF THE
Free
HOME OF THE
Brave

From the Activity Department

The Activity Department has been busy creating fun, meaningful, and memorable experiences for our residents over the past few months!

Residents continue to enjoy gathering for games such as Tenzi, Aggravation, and dominoes, along with our popular movie nights featuring popcorn and refreshments. We also enjoyed our annual trip to the Swing Show dress rehearsal in Shell Rock, where residents loved watching the performances.

We are so thankful for our wonderful volunteers and enjoyed celebrating them with a Volunteer Brunch and craft event. Their kindness, time, and talents mean so much to our residents and community.

In May, we celebrated the end of another wonderful year with our 4th grade friends. The friendships created between students and residents were so special, and we were grateful to receive a beautiful scrapbook from the class as a keepsake.

National Nursing Home Week was filled with fun and celebration! Residents and staff enjoyed special treats, crafts, a Dirty Soda Bar, golf cart rides, a family cowboy horse visit, Staff Olympics, food trucks, and plenty of ice cream from our soft-serve machine. June brought more summer adventures, including a scenic van ride through the countryside with a stop at Dairy Queen.

Residents also enjoyed watching the Tractorcade travel through town, with nearly 300 tractors passing by. We served popcorn and refreshments and appreciated celebrating our local farmers and community.

Residents also participated in the Pioneer Days Parade, tossing candy and merchandise while our home was decorated in red, white, and blue. We look forward to more community fun, including the Greene River Days Parade and our upcoming trip to Senior Day at the Butler County Fair.

We are excited for the rest of summer and the memories still to come. Thank you for being part of our community, and we look forward to sharing more with you in our September newsletter.

Wishing everyone a safe and wonderful summer!
